Social Security Number

Phone Number

Email Address

Current Address

Authorization

I hereby authorize the dealership to conduct a background check, including but not limited to employment verification, criminal history, motor vehicle records, and other relevant inquiries as necessary for the purposes of onsite contractor clearance.

I understand this authorization allows the dealership to obtain information from law enforcement agencies, present and past employers, institutions, and other persons who may have knowledge relevant to this application. I release all parties from any liability resulting from furnishing such information.
