

# Bed & Breakfast Guest Privacy Consent

As a valued guest of our Bed & Breakfast, your privacy is important to us. This document explains how your personal information is collected, used, and stored. Please read the following and provide your consent to proceed with your reservation.

## Information We Collect

- Full Name
- Contact Information (e.g. phone number, email address)
- Identification (e.g. ID or passport details)
- Reservation and stay details
- Any other information required by law

## How We Use Your Information

- To process and manage your reservation
- For check-in and verification purposes
- To comply with local legal requirements
- For any communication related to your stay

## Consent

By signing this document, you confirm that you have read and understood how your personal information will be handled and consent to its use as described above.
