

Vacation Home Guest Privacy Agreement

This Privacy Agreement (   Agreement   ) is entered into by and between the owner/manager (   Host   ) and the guest(s) (   Guest   ) of the Vacation Home (   Property   ). This Agreement outlines the policies and expectations regarding guest privacy during the stay.

1. Collection of Guest Information

- The Host may collect the following personal information from the Guest for reservation, check-in, and legal compliance:
-

2. Use of Collected Information

- Guest information will only be used for purposes related to the booking, communication, and compliance with local laws.
- The Host will not share guest information with third parties except as required by law.

3. Security Measures

- The Host will take reasonable measures to protect guest information and ensure confidentiality.
-

4. Surveillance and Devices

- The Property features the following surveillance devices (if any):
-

Any surveillance devices will not be placed in private spaces such as bedrooms or bathrooms, in accordance with applicable privacy laws.

5. Guest Responsibilities

- Guests agree to respect the privacy of other occupants and neighboring properties.
-

6. Guest Rights

- Guests may request access to their personal information and ask for corrections as provided by law.
-

7. Agreement Acceptance

By signing below, the Guest acknowledges reading and agreeing to the terms described in this Privacy Agreement.
