

Sustainable Fashion Material Specification Sheet

Material Overview

Material Name
Supplier
Origin / Source
Type (e.g., fiber, fabric, trim)
Certifications
Intended Use

Material Properties

Composition
Weight (g/m ² or oz/yd ²)
Width
Color
Texture/Finish
Durability
Circularity/End-of-Life

Sustainability Information

Renewable Resources
Recycled Content
Biodegradability
Chemical Use (Processing/Dyeing)
Water/Energy Consumption
Certifications/Standards
Social Responsibility

Additional Notes
