Release Consent Terms

I consent to the recording and distribution of my interview on the above-named podcast. I grant the podcast and its representatives the right to use my voice, image, and name in all media formats including audio, video, and promotional content. I understand the interview may be edited and shared publicly. I waive any right to approve or be compensated for the finished product.

I confirm that I am over 18 years old and have the full power to grant this consent.
